Hello.....

Hope you are both well and enjoying summer. We haven't talked in ages - miss you guys. Looking forward to a routine starting up again in September. Let's try and get into a regular pattern of calling to catch up. I would like that and I know the kids would too.

Our summer has flown by. We finally finished the renos at the end of July and then the summer weather came. We have been enjoying the pool and the yard so much. The frustrations of renovations are almost a distant memory!

We ar forwarding a copy of the letter from Collingwood about the bursary. Thought you would be interested.

We had a lovely visit with Eric last week. It was so nice to see him. The kids had fun with him and we tried our best to 'sell' him vancouver! Don't tell Janice that.... I think he REALLY liked it here.

Lots of Love, Vikki

Dear Gordon and Vikki,

Thank you for your generous gift of \$15,000 to Collingwood School for the Wanda Robson Bursary.

Supporting students in this way is a vote of confidence in their ability to achieve, especially during a period of rising educational costs. For many students, bursaries mean the difference between aspiring for higher goals, or succumbing to a lower standard of education. Your financial assistance and commitment to Collingwood students is one major step towards making a positive difference in their lives.

On behalf of Collingwood School, thank you for your generosity and we warmly thank you for your contribution.

Kindest Regards,

Susan Hazell
Executive Director, Advancement

Thank you so much - this really has made a significant difference to a number of Collingwood students!
