Cocktail Aprons

SPECIAL NOTICE

The apron displayed at the reunion at Murray Division Friday evening has been withdrawn from sale by the T. Eaton Co., Ltd. at the request of the Sons of Temperance. During the interview the Field Secretary was assured by Mr. Parks, the Manager of the Halifax Store, that the Company regretted such an article had been put on sale. Some 60 of them had been ordered, those unsold were immediately removed from the counters. The Founder of the T. Eaton Company would not allow tobacco or playing cards to be sold in his stores. The recipes for making intoxicating drinks printed on these aprons were considered at variance with the principles upon which this great business was founded. We thank the T. Eaton Company for so quickly and completely rectifying the matter when it was called to their attention.

Police Records

In Denver, since repeal, show increases as follows:

Drunkness	1934	1935	Increase
	1445	2636	75%
Drunk and Vagrancy	465	862	85%
Drunk and Disturbance	944	1443	35%
Driving while intoxicated	158	408	162%
	3008	5249	74%

In New Jersey persons convicted of drunkenness must serve 5 days at chopping wood on the town woodpile.

Chicago Judge says—"If the state law re selling to minors were obeyed the Boy's Court would lose 35% of its business."

Urges Culture of Spiritual

New York.—Modern man is "well-nigh civilized to death," Rev. Dr. Harry Emerson Fosdick told a congregation of 4000 at the Riverside church. "We have become, in the words of G. Lowes Dickinson, 'contemptuous of ideas and amorous of devices,'" he said, "until today mankind stands, his hands full of amazing devices, but as confused, bewildered and unhappy as mankind has ever been."

"Devote such agglomeration might to war, and we are irreparably undone. Let it be utilized by private, acquisitive greed in a 'dog-eat-dog' policy," he said, "until today mankind stands, his hands full of amazing devices, but as confused, bewildered and unhappy as mankind has ever been."

Subintoxicated

In the House of Commons a medical member recently called attention to the danger of auto drivers taking any alcohol whatever. All agreed, he said that the drunken driver should be severely dealt with, but the greatest danger was from the man who was not, in the legal sense, drunk, but was under the influence of alcohol. At least 25 per cent of road accidents were due to the fact that the drivers had consumed small quantities of liquor. They were not intoxicated, but as classed by the British Medical Association, subintoxicated.

Quite Possible

A well known beautician warns his lady customers that not more than one cocktail should be taken by them, as more than that will take the curl out of their hair.

We know other things it will uncurl, as for instance, a sense of shame; the finer things of womanhood; physical stamina. Yes, whiskey will take the curl out of all these and a few more things.

Liquor Gets your Goat

Two men were arguing as to what smelled the worse, a tramp or a goat. They agreed to leave it to the judge, "bring on your evidence," said the judge. The goat was brought in and the judge fainting.

Promise and Performance

The promise—repeal prohibition enactments and we will have no taxes. The result of repeal.

Before prohibition the tax was \$60 on \$3,000. On \$5,000 the tax was \$180.00. During prohibition all federal taxes on amount up to \$3,000 eliminated. 1925 Tax of \$3,900 reduced to \$14.83 or 89%.

After repeal—1935—second year of repeal. Tax on \$5,000 went up to \$140.00 or 85%.

Dupont in supporting repeal said "Let beer be legalized there will be a saving of \$10,000,000."

Parley in supporting repeal said repeal will save us 6 to 8 million dollars. They lied themselves.

They fooled the people. Both Income and Corporation taxes went up like a rocket on the return of Hank Hootch.

Pointed Paragraphs

In England 10 per cent of arrests for drunkenness took place on Sunday after late closing Saturdays. In Wales after early closing Saturdays only 5 per cent for arrests.

In New Zealand 6 p.m. closing dropped arrests for drunkenness from 13,000 to 9,023 in two years. Total closing would have cut out the 9,000 and left the 23.

31 Mayors of Victoria, Australian towns have banished liquor from official functions.

In N. Z. the penalty for drunken driving has been raised to \$2,500 or five years.

The Nova Scotia booze shop in Pictou was partly destroyed by fire. The estimated damage was:

Jewellery Store	\$ 10,000
Booze Store	8,000
Shoe Store	15,000
Drug Store	2,500
Grocery Store	2,000
Lodge Room	5,000

The Booze Shop was in good company for once. Its stock could do more damage than the Fire.

HIGH LIGHTS OF THE ANNUAL MEETING

The 90th Annual Session of the Grand Division of Nova Scotia has become history. We now start on the last decade before our Centennial Celebration. Brother John Scott suggested that when we celebrate our 100th Anniversary ten years hence, the Government of Nova Scotia erect a Monument near the spot where the first Division was organized in Nova Scotia commemorating the birth of a great moral and spiritual force in Nova Scotia, the birth of the Sons of Temperance.

A wonderful fellowship prevailed at all sessions which reached its climax in the great meeting with Murray Division Friday evening. Here all the good fellowship displayed throughout the three days of strenuous labor seemed to overflow all hearts. Many pronounced it the best yet. The thanks of all present were extended to Murray Division and to Brother Emanuel Jensen, who acted as Master of Ceremonies. The entire programme was thoroughly enjoyed.

The Grand Worthy's Report

As usual Bro. Leslie in his report stressed the spiritual nature of our task. In a masterly manner he dealt with our work as it pertained to Subordinate Divisions, Temperance among the children, Churches and Christian Women, Agency and Missionary Enterprises and the press. He feelingly mentioned those departed from our ranks through death during the year. He recommended that printer's ink be increasingly used to get our message to the world. That Sons of Temperance day Sept. 29th be more generally observed the coming year. That we increase our efforts to interest the young. The Grand Division fittingly recognized the personal service rendered the order by the Grand Worthy Patriarch during his three years of office. Supplementing the presentation of last year, resolutions of appreciation were passed again this session and many were the expressions of approval and regret at his elevation to the "Station of Honor." It was noted that Brother Leslie donated all his time free to the order and that he personally paid all the expenses in connection with his extensive travelling in the interests of the work. Mrs. Leslie was not forgotten and these two members assured all that they intended to continue rendering service as in the past.

The Grand Patron

Mrs. MacLaren in a very fine report stressed the work among the children. Much work was done during the year of which cold figures fail to convey the full import. Mrs. MacLaren was unanimously re-elected for another year. The Band of Hope now has a membership of 3177 in 71 communities. A gain of five Bands and 382 members. Two awards were personally given by the Grand Patron during the year. One to Bright Light Band, Summerville for the greatest average attendance, and one to Thistle Band, Halifax for the greatest increase in membership. During the Band of Hope Hour at Grand Division these presentations were made.

The Grand Scribe

It has been well said that E. R. Nickerson is the directing force behind the Grand Division of Nova Scotia. This is apparent to all who had the joy of listening to him during the sessions. He seems to improve with the passing of the years. The report calls attention to the fact that at this session we finish 90 years of consecrated effort which has made the greater part of the temperance history of this province, during which we have never wavered from our principles, or lowered our standard of total abstinence for the individual and prohibition for the state. The work of these ninety years is to us a worthy heritage. The summary for the year notes that we now have 150 Divisions a gain of 12, and 5211 Members a loss of 3.

The Grand Treasurer

Bro. Rodger again presented his financial statement. He reviewed the finances for the year. The total receipts for the year were \$7,289.73. Expenditures \$6,589.13. Balance on hand \$700.60. The property account now stands at \$5,083.27. Bro. Rodger has been reelected for another year.

The Field Secretary

Bro. MacLeod's report states, "The year has been a strenuous one. The work of the order appears to run in cycles, a period of enthusiasm and progress is followed by a period of lukewarmness and retrogression. After three years of strenuous effort a number of Divisions decided the effort was too great and closed. Thus this year our gains have been largely offset by our losses." The detailed report is summed up as follows, "Radio Broadcasts, 7. Interviews, 422. Meetings and services held, 296. Divisions started, 28. Divisions assisted, 65. District Division meetings attended, 11. Public Schools Visited, 16. Miles travelled, 18,000. Forward Subscription lists now stand at 500 paying subscribers, 400 free copies distributed, 100 available for new subscribers. Forward receipts were \$555.50 an increase of \$32.90 over last year. The report closes with thanks from Mrs. MacLeod and the Field Secretary to all who have so loyally supported the work during the past year.

Extension Fund

Bro. H. E. Nickerson reported \$2,018.85 paid in on Extension Fund during the year. 100 Divisions and 13 Bands of Hope assisted in raising this amount. 28 Divisions made the Honor roll as against 23 last year. An appeal from Bro. Nickerson that the work this year be started early in the session was heeded and Bro. D. D. Benson appointed Financial Secretary with Bro. H. E. Nickerson as Chairman. A good start has already been made. Bro. Benson is on the job. Please see his letter on page 4. His address is 7 Cabot Place, Halifax. Send in your contributions early. Who will be the first on the Honor Roll?

WHICH WAY FOR YOU?

"The easy roads are crowded
And the level roads are jammed;
The pleasant little rivers
With the drifting logs are crammed.
But off yonder where it's rocky,
Where you get a better view,
You will find the banks are thinning
And the travellers are few."

"Where the going's smooth and pleasant
You will always find the throng,
For the many,—more's the pity—
Prefer to like to walk along.
But the steepers that call for courage,
And the task that's hard to do,
In the end result in glory
For the never-wavering few."

urged that in the Bands we do not make the work passive. Listening on the part of the child is not enough. Active participation in the programme by the pupil is absolutely necessary. The following points were stressed by Mr. Gordon who himself is a former member of the order. "The work in the Bands should be graded, possibly those under 12 one group, 12-16 another group, 17-21 Avoid Don'ts. Concentrate on the Do's. Get the members doing things. III. Be careful about the type of leadership. Get leaders who understand some of the fundamentals of teaching. Let the leader practise what he preaches. Co-operate with the school Teachers. Others spoke on different phases of the work. The G.W.P. and G. Patron thanked Mr. Gordon for his timely and interesting address. The reports from the different Districts showed much work being accomplished. Reports were also given by Divisions not included in Districts. The question box as conducted by Br. Jensen was informing and many were helped to a better understanding of our work. Bro. Jensen was asked to deal with further questions handed in, in Forward.

The Memorial service in charge of Sis. Mrs. W. L. Turner is worthy of special note. This impressive service will long be remembered by all who witnessed it. The following died during the year and their memory was honored on this occasion, Rev. E. D. MacKillop, D.G.W.P., Gabarus, C. B.; Hattie MacKeown Balcom, P.W.P., Lawrenceton, Anna; Geo. Bernard Phil, P.W.P. North Sydney, A. B. Rand, P.W.P., Port Williams; H. E. Mouzar, D.G.W.P., Brooklyn, Queens Co., G. H. Rudolph, F.W.I. Halifax, Rev. Dr. Clarence MacKinnon, P.W.I. Halifax.

Four contestants took part in the Public Speaking Contest which was much enjoyed by the more than 400 people present. The speeches were of a very high order. So much so that two members in the audience provided a special award for the fourth speaker. Thus all were winners as follows, Victor King, Branks St. Division, Halifax, 1st, \$15.00, James Kerr, Sydney, 2nd, \$10.00, Mae King, Clyde River, 3rd, \$5.00 and Charlotte Ross, Trenton, 4th, \$2.00. Mrs. Bessie Miller, on behalf of the judges spoke of the value of the work we are doing and tendered some timely advice to all present. The New Officers were installed by P.M.W.P. Bro. Geo. A. MacLeod assisted by Bro. A. S. MacDonald, P.M.W. Conductor. All the Officers made excellent addresses.

The meetings were taxing. Not a dull moment from Tuesday evening until Friday about 2 p.m. when Grand Division closed. It was a most successful session from every standpoint. The morning session Friday was largely taken with the report of the Constitution Committee led by Bro. Hoare. The new Constitution will soon be available. The reports of the Resolution, Legislation and Executive Committees will appear in next issue.

public press. I feel that a great deal of this temperance sentiment is due to the fact that we, the Sons of Temperance, are able through our extension fund to keep in the field a man in the person of Rev. A. A. MacLeod. We cannot help but place a value on his work, for the liquor traffic is something that hinders every form of human progress. The former Chancellor of Breton, Hon. Philip Snowden said "No matter what problem I approach, whether it be of children, of the unemployed, of the aged, of housing, I find it complicated and made more difficult by the liquor traffic."

The fruits of the liquor traffic are selfishness, laziness, poverty, vice, sorrow and sin with the result of underfed and defective children, down-trodden wives, unhomes and national problems. Dare we, as Christian people, to sleep while such a clamor is at work in our midst. Temperance friends let us arise and work while it is day.

CIGARETTES TO MINORS

The MacLeod Division, No. 1110, at Fairview, Nova Scotia, has passed the following resolution.

"That the proper authorities should be reached in regard to the matter of having placards placed in all stores to advise the sale of cigarettes to minors under sixteen (16) years of age."

ON THE FIRING LINE

NOTE—This report of the activities of the Field Missionary, is published by Order of the Agency and Official Organ Committee, of which Bro. D. D. Benson, Halifax is chairman.

Have been working on this issue of Forward preparing material for the printers, Monday Nov. 8th. To-morrow we leave for Grand Division. We hope to present in this issue on page one some of the highlights of the session. This morning we returned from a successful trip to Queens County.

Hants District. Thursday Oct. 21st attended the Hants District Division at Summerville afternoon and evening. A full report appears in this issue.

Kentville. Although much preparation was made for the meeting at Kentville not enough people came to hold a meeting. Plans were discussed however, and it was decided to visit the Church of Kentville in the near future on Sunday and hold a public temperance meeting the following Monday evening. A canvass to be made during the day.

Hampton. As planned we visited Hampton again on Saturday and reopened that Division for its fall and winter work. They will now meet regularly.

Berwick. Services were held in United and Baptist Churches of Berwick on Sunday, Oct. 24th and at Weston in the afternoon. As a result Longwell Division was re-organized at Berwick the following Monday. The prospects are good for this new Division. Work will be done at Weston later.

Lower Granville. A meeting was held at the home of one of the members with a good delegation present from Granville Ferry. Three new members were initiated and officers elected and installed. Lack of a meeting place handicaps this Division, but they are determined to function.

Louis Head. A Division was organized at Louis Head with 16 enthusiastic members and more to follow. Two new members have already been added. The young people are taking hold of the work splendidly. Calls were made at Liverpool, Port Medway and Chelsea. Plans were arranged for future meetings. Chelsea is also handicapped for lack of a meeting place. However they are attacking the problem. Already they have spent \$25. repairing the upper room of the school. It is hoped that the work there will receive the united support of all in the community.

Lower Canard. This Community was visited Sunday Oct. 31st and service held in the Baptist Church. At the close many signified their intention of rallying around the Division and getting it meeting again. Another visit to get them started may be necessary here.

Falmouth. We had the pleasure of addressing a meeting under the auspices of Falmouth Division Nov. 1st. LeBrea and Avon Divisions were also represented. The offering was for Extension Fund. The rally was to celebrate 90 years of service to Nova Scotia by the Sons of Temperance.

Avondale. Riverside Division was visited. Two new members initiated followed a public meeting in the United Church. Officers were elected and installed and this Division re-opened again.

Hantsport. Following a public meeting in United Church Hall on Nov. 3rd Hantsport Division was organized with 16 members. Six others signed up to join later. They too will find difficulty to get a meeting place. A committee was appointed to canvass the situation and report.

Three Mile Plains. Following a meeting in the hall on Nov. 4th the Field Sec. re-opened Allen Division. Three new members were initiated and officers for the new quarter elected and installed.

Queens District Division met at Kempton on Nov. 6th, in afternoon and evening sessions. The reports from the Divisions at the afternoon session were on the whole encouraging. Nine Divisions reported. Following an address by the Field Sec. in the evening Kempton Division was re-opened with 20 members. This Division has been having it difficult but now are determined to keep up the good work. Rev. R. Roosevelt Winchester, D. W. P. presided with efficiency at both meetings. A more detailed report will appear later.

Liverpool. Following 12 calls in the afternoon a meeting of New Era Division was held at the home of the W.P. and Deputy Bro. and Sis. Haley. One new member was initiated. Officers were elected and installed. Plans were made to provide a meeting place. This Division hopes to hold regular meetings in future.

Port Medway and Brooklyn. We preached at Port Medway and Brooklyn Sunday Nov. 7th. As a result both Divisions were helped. Some fifteen remained behind at Port Medway and plans were made for them to re-open the Division this coming Friday evening. This completes the report of the work up to the time of Grand Division.

BE SOMETHING

Be something in this living age,
And prove your right to be
A light upon some darkened page,
A pilot on the sea
Find out the place where you may stand
Beneath some burden load,
Take up the task with willing hand
Be something, somewhere, now.

Be something in this throbbing day
Of busy hands and feet,
A spring beside some dusty way,
A shadow from the heat.
Be found upon the worker's roll,
To keep the task with willing hand
Be something, somewhere, now.

Resolved—
To grow a little wiser day by day;
To school my mind and body to obey;
To keep my inner life both clean and strong;

To free my life from guile, my hand
from wrong;
To shut the door on hate and scorn
and pride;

To open the heart and leave the windows
wide,

REPORT OF HANTS DISTRICT WORTHY PATRIARCH, REV. BRO. GORDON G. MAC-CLARE, FALMOUTH

Officers and Members

Once more we met together by the love for our order and in the interest of the cause we represent. It gives me pleasure to greet the officers and members of this district, and may our relationships here today bind our hearts together in love, purity and fidelity, and may the duties of this gathering draw from our hearts a renewed enthusiasm for the good of the Order of the S.O.T.

Since we last met the vacation season has come and gone, and the work of our district, which usually reaches the low water mark in this period, is beginning to gather momentum again. I am glad to report at this time a renewed interest in Division work which I feel is going to result in an increase in numbers and enthusiasm before another quarter closes.

We are glad to have our Field Sec. at work in this district and to note that Broad Arrow Division at Walton is on our list of organized Divisions once more. Let us hope and pray for a chain of victories down this shore from Windsor to Noel. This is not a dream, but a possibility within reach, and every support should be given our Field Secretary to this end. What a tower of strength the organized temperance movement of this shore could be; and what a great influence they could wield when the time comes

for a plebiscite on the question of the prohibition of the liquor traffic.

I do not feel that our District has yet seen the value of the Temperance essay, and the Oratorical Contest, with the result that we are at the bottom of the list. We have had no contest within this District. This work is but one means to achieve our goal of Temperance education, and has value. Anything that has value toward this end should be encouraged. And I would advise that during the next year every Division in our District begin early on the work, and push it in order that we may have work of this nature.

I have one more recommendation to make to the Subordinate Divisions. Since little progress is made toward a larger membership during the summer months, I would suggest that each division sponsor a "membership week" in which every member of the Division be asked to make an attempt to get one more new member. I believe with all my heart, that this took such a thing seriously that we would greatly increase our membership in our District.

Brothers and Sisters we need more enthusiasm in our work. There never was a time when the rum traffic and bootlegger had more energy or interest in their work, and we must awake and give every support to our Order, our Field Secretary and the cause for which we stand, the abolition of the liquor traffic.

It is my earnest desire to see the increased interest in the temperance by many organizations, and also the

REPORT OF WEST HANTS DISTRICT DIVISION

The 3rd quarterly Session of West Hants District Division met with Crystal Stream Division at the United Church, Summerville, on Thursday, Oct. 21st with the D.W.P. Rev. Bro. G. McLeard presiding. (See his report this issue, Ed.).

There are 12 active divisions in West Hants and reports were received from 9.

Riverside Division at Avondale reported "Suspended indefinitely." This was heard with regret. (Riverside Div. has been since revived, Ed.), but we were happy to hear that Broadarrow Division at Walton has been re-organized with a membership of 39.

There are 6 Bands of Hope with a membership of 243, and there are 32 subscribers to the "Forward," (according to reports received).

Rev. Bro. MacLeod, Editor of the Forward will send free copies of the "Forward" upon request for a Forward Drive.

There has been approximately \$100.00 raised during this quarter for the Extension Fund. This was considered a small amount in comparison with the work done by our Field Society, and we are asked to strive for more.

Rev. Mr. MacLeod would like more real news for the Forward from the subordinate divisions, mere figures are not enough.

He also suggested that the Forward be printed once a month instead of the 2nd and 4th weeks and by doing this there would be a saving of \$420.00 a year. This suggestion will be sent to Grand Division for consideration.

During the Session at Mt. Uniacke it was resolved that the D.W.P. and D. Scribe write a letter of congratulation and expression of loyalty to their majesty, King George VI and Queen Elizabeth, this was done and a reply was received and read at the Session in Summerville. It was moved, seconded and adopted that this message of the King's be joyfully received and pasted in the District Minute book.

It was moved and adopted that the plan suggested by the D.W.P. in regard to a membership drive being carried on, and that it be carried on the second week after the Grand Division Session and that this motion be passed on to Grand Division with the suggestion that it be made a province-wide special membership campaign.

A committee was formed consisting of the Executive (D.W.P., D.W.A., S.S., D. Treas., D.W.P., and five additional members named: "Bro. Hedley Lawson Rechab; 2, Sister Beattie McLaren, Crystal Stream; 3, Rev. Bro. E. Miller, Crystal Stream; 4, Sister Mrs. Robt. Creed, Uniacke; 5, Rev. John R. Scott, Broadarrow. To meet once a month to discuss the problems of the District, encourage fraternal visits, help the weak divisions and those in trouble.

This session adjourned for supper which was held in the Hall and a public meeting was held in the Baptist Church in the evening.

Rev. Bro. MacLeod, D.W.P. presided at the evening meeting. Scripture was read by Bro. Hedley Lawson. We were led in prayer by Rev. John R. Scott.

This was followed by music by the choir. The address of welcome was given by Rev. E. Miller and responded to by Rev. G. McLeard.

The State of the Order Committee read their report which was adopted also the resolutions which were read and adopted separately, then a solo "What will it Matter there"

The special song of the evening was Rev. A. A. McLeod. His text was "The thief cometh not, but he to steal and to kill and to destroy (10 ch. John, 10th verse.)

He brought before us a very vivid picture of the drunkard in all his depravity and proved by actual illustrations which have taken place in Nova Scotia that alcohol is a thief, a killer and a destroyer. He also said that there were encouraging things to be taken into consideration at a great Maritime newspaper is taking a definite stand in the Temperance work.

2. Roman Catholic organizations are calling on morality and decency to clear up the conditions caused by alcohol.

3. One of the best signs of all and most heartening was the stand that all the great religious denominations of the Dominion of Canada are taking in regard to these conditions and by these signs it would seem that we are on the verge of a great Temperance revolution.

Rev. Mr. MacLeod extended sincere thanks to Rev. Mr. McLeod for his enthusiasm and helpfulness and the meeting was brought to a close by singing "Rescue the perishing," and the benediction which was pronounced by Rev. J. R. Scott.

COPY OF KING GEORGE VI'S MESSAGE TO WEST HANTS DISTRICT DIVISION

Buckingham Palace,

The Private Secretary is commanded by The King to convey an expression of sincere thanks to the members of the West Hants Division Sons of Temperance for their message of loyal assurances on this occasion of their Majesties' Coronation. 21st June, 1937.

AVON DIVISION NOTES

Several members of Avon Division motored to St. Croix on Oct. 18th for a fraternal visit. A mixed program was enjoyed by all, and the Sisters of St. Croix Division served refreshments. Thursday, Oct. 28 we held an entertainment, but the rain just about spoiled it. The hall was decorated for Halloween, and looked very nice. In spite of the small attendance, a fine program was put on. Just before the refreshments were served one of the members was called to the platform and presented with a Birthday cake, candles and all. His birthday falling on the following day, this was honoured by the fellow members.

The officers for the new quarter include: W. P. Robt. Caldwell, R.S., Bro. Lawrence Levy; Treas., Bro. Leonard Purdy.

We recently raised enough to put old Avon on the Honor Roll, and as it is the first time, we are naturally very proud of the fact. We hope to get there each year, from now on, if possible.

Mrs. Jas. D. Redden, P.W.P., recently returned from a month's vacation, visiting relatives and friends in the U.S.A. Sister Redden is one of our most valued members, and we certainly missed her while she was away.

Some of our members walked to Falmouth to a Temperance rally there on Nov. 1st when Rev. A. A. McLeod was the speaker, and he was worth going to hear.

Avon Division will be celebrating its 90th Anniversary on March 26th next, having been organized about a month before the Grand Division of Nova Scotia. We are hoping to have a grand rally then, but as yet nothing definite has been arranged.—Reporter.

LIVERPOOL DIVISION

The Division marched in regalia, in a body at the funeral of Mrs. Joseph Theriault, a life-long member of the order. This sister was deeply interested until her death. The division sent the sorrowing husband this letter of sympathy:—

LETTER OF SYMPATHY

To Mr. Joseph Theriault and Family: We, the officers and members of New Era Division, No. 179, Sons of Temperance, desire to convey to you the expression of the deep sympathy of its members with you in this, your bereavement. It has been the divine will that God remove from you and our midst your loving wife and mother and our worthy and beloved sister.

We realize how helpless we are of ourselves to comfort you in your sad affliction, but there is One who can give you comfort in such sorrow and He has promised to comfort all who mourn.

God's dealings with us sometimes seem hard to understand but He is too wise to err, too just to be unkind. It is because He loves us and for our highest good that His orderings include so many causes of sorrow.

We commend you and yours to the sustaining grace of our heavenly Father and while we humbly bow to His divine will, we take comfort in the comforting fact that our departed sister, though leaving a gap in our fraternal circle and an empty place in your heart and home, has gone beyond the clouds and tempests of this world, to receive the reward God has promised to all who love and trust Him.

We say no more; human consolation is weak. Trusting that God, our Father, will bless, keep and support you and yours in this trying hour and that you may know that in New Era Division you have friends and sincere sympathy.

Signed on behalf of the Division, E. M. HALEY, Division Deputy.

CAPE BRETON DISTRICT DIVISION

Fraternal Visits

The first of a series of visitations by the District Officers and members was made recently to Diamond Division, Groves Point. Representatives were present from Sydney, Sydney Mines, North Sydney, Mira and of course Groves Point. The meeting was very interesting and helpful. One would not expect it to be otherwise with Bro. James MacLeod in the chair. He has the happy faculty of making a meeting a homelike affair where everyone is at ease and their best seems easy of accomplishment. Bro. James O. Kerr the new District Scribe, very ably presented the claims of the Order.

Bro. A. S. MacDonald and M. W. Buchanan also urged a holding of the lines and an increased enthusiasm. Bro. R. N. Gibbons prefaced his always acceptable vocal solo with a few timely remarks.

The need of more temperance work was urged and Bro. James MacLeod in view of the recent demonstration connected with political nominations.

Bro. Ross of Diamond Division told of how his Division had helped him and recommended it to all men and women who wanted to lead a happy life. Bro. Legge and Moffatt of North Sydney and Bro. King and Sister Edna McDonald of Sydney also contributed to the programme. A solo singing solo was enjoyed from Sister Mrs. McKeigan.

Delicious refreshments were served by the Sisters which need not say to Gabarous Lake, and Mira.

AN APPRECIATION

William Taylor Archangel Division, Sydney Mines, N.S.

Mother earth is busy these days calling for her winter covering. The leaves obey, for it is not their summer offering of service to God and man complete? They rustle about, seeking a resting place in the kindly soil that gave them birth.

Just inside the door at Sydney Mines, freshly turned, they discover that heaven, a place that a few short weeks ago received one who like themselves was called from service. They were ready for the call and blossomed out in beauty before they quietly fluttered onward. He too, after a lifetime of useful service obeyed the call. His was a beautiful surrender of life at eventide,—the day's work done.

Just inside the door of Archangel Division we were accustomed to look for his kindly welcome to visitors made one at a time. The Order and its principles meant a lot to him. His homely philosophy and apt quotations often brought calm when storms threatened.

Always willing to fill a humble place, his exclamation: "I would rather be a doorkeeper in the house of my God than dwell in the tents of wickedness" when re-elected to the post of Inside Sentinel, will always remain a cherished memory.

His widow and family mourn, but not so those who have no hope. For, we look on with wonder each year-

ANOTHER PRAYER FOR A PATRON

(Unavoidably crowded out of last issue)

"God of the heart and hand, teach me to understand;

I have forgotten in the long, long years, All my little childish hopes and fears, It was so very, very long ago since I was in the world the little children know.

I have forgotten what I used to play And dream and do, in that forgotten yesterday;

All the wide wonder of my childish eyes Since I have grown so old and worldly

Yet now these come with faces raised to mine,

These little ones, dear Father, they are Thine!

Teach me to lead them to Thy own true light,

Help them guide their little feet a right."

"God of the heart and hand, teach me to understand;

I know so little of the thought that lies

Back of the shining of those childish eyes;

I guess so little of the wonder there Under the curling of the sunny hair;

It was so very, very long ago since I too, knew the things that children know;

Yet hast Thou given them to me to lead,

Out of Thy wisdom grant me all I need,

Patience of purpose, faith and tenderness,

Trusting Thy perfect love to lead and bless.

Help me to remember, O, for this I pray,

Make again the child of yesterday; Teach me to understand."

Now for the third Response in the Opening Ceremony of the Band of Hope Ritual. We know of a certainty that those who tarry long at the wine, are not sensible of woe and sorrow, while they are in a drunken condition, but, oh! the remorse they must suffer when coming back to their normal centre.—They see in their homes ad evidence of the ravages of STRONG DRINK, and in their

ring year as nature brings again the foliage in its beauty. So will He, whose kindly hand is behind nature's miracles, bring forth in the "Homeland" those who had faith and served Him while passing through the entrance.

Of such was William Taylor.

DIGEST OF MINUTES

CAPE BRETON DISTRICT DIVISION ANNUAL MEETING

The 1937 Annual Meeting of the Cape Breton District Division was held with Star in the East Division, Sydney, on Sept. 23. The District Worthy Patriarch, Wm. A. Lamond presided. There were 76 officers, delegates, and visitors present.

Bro. Gibbons, Dist. Scribe, presented a very complete report. He stated he had been the present outlook is brighter than for some time as to increased interest in our Divisions. He made the following suggestions to the District officers: that the Executive Committee meet once a month; that the whole scheme of District visitations be re-arranged; that every facility for duplicating letters and notices be provided for the use of the District Scribe.

Rev. A. A. MacLeod, Field Secretary, reported on his work during his present visit to C.B. He reported on 29 divisions, stating that 10 were in good condition, 5 were re-suscitated, 6 were to be re-open soon, that a new Division was organized at Birch Grove, and that the old Division at New Waterford was re-organized.

Those officers elected for the coming year were:

D.W.P., Bro. Ken Sheppard; D.W.A. Sis. Edna MacDonald; D. Scribe, Bro. James Kerr; A.D.Scribe, Bro. R. N. Gibbons; D.T., Bro. M. W. Buchanan; D.C., Bro. Rev. Sinclair; D.C., Bro. Claude King; D.C., Bro. Charles Moffatt; D. Sent., Bro.

weakened state of mentality they rush out to seek more, hoping to drown their sorrow in lower—what a sad sight—We are told that Drinking makes right Thinking impossible—someday we hope Right Thinking will make Drinking impossible. But until that time comes, we must do everything we can, to help those who tarry long at the wine, to come back to a normal state of mind and living.

As a child, you may think your influence counts for naught in anything so important—but in the Good Book, we are told "a little child shall lead them," to keep your pledge and always stand up for what is good and true and those older will take notice.

One thing I beg of you, Boys and Girls—Never, Never touch a drop of intoxicating liquor, wine or cider: An old Oriental Proverb runs like this:

"The thousand mile journey starts with one step."

I add this:

"The way to the drunkard's grave starts with one glass."

So Never, Never take the first glass, and you will be safe.

I realize "Hallowe'en" comes this month and on that day you will have lots of fun, I haven't much space to dwell on it, but I will say—go ahead and have your fun, but be careful to do unto others as you would have them do to you. If you follow that rule you will come out alright. Many of you will have some social event in your Band. Don't forget to thank your Patron for her kindness in giving you such a good time.

On account of sickness I have not been able to get Report Cards sent to the Patron. I am going to work at them to-morrow. Will you return them at once so we can make our Annual Report for Grand Division Session.

I am hoping that I will be able to get a notice re—Presentation of Band of Hope Work at the Annual Session—in the issue of "Forward," that is, it is a letter to all of you. I would understand an Executive meeting will convene next week in Halifax for the purpose of setting up the Agenda. I am hoping to be present at that meeting.

CHEERIO!

Robt. Lewis; D. Patron, Sis. Mrs. A. S. MacDonald; Elected members of the Executive, Bros. A. S. MacDonald, S. H. Crowell, and R. N. Gibbons.

The following resolutions were adopted:

1. That we express our appreciation of the work of Bro. Leslie, G.W.P., while on his visit here.

2. That we express our thanks to Radio Station C.J.C.B. for the free use of their time on two Saturday evenings for the broadcast of Temperance Talks by Rev. A. A. MacLeod.

3. That we express to the Halifax Herald, and to the Sydney-Post Record our thanks for the publicity given our work.

4. That we commend the Catholic Women's League for their strong resolutions on law enforcement, and their efforts to help our support in efforts made toward the abolition of the Liquor Traffic.

5. That we assure the citizens of Baddeck of our continued support in their efforts to close the Liquor Store in Baddeck, and that we ask our Field Secretary to again interview the Premier and the Chairman of the Liquor Commission and request them again, to take action and accede to the request of the 1200 or more citizens of Baddeck and vicinity who signed a petition asking that the store be

6. That we send a letter of greeting and appreciation to Bro. Chas. Peltier, Glenholm, expressing our thanks for his kind and challenging letter, and that we pass this on to the Grand Division for their consideration.

7. That we express to Rev. A. A. MacLeod our appreciation of his untiring efforts in the cause of Temperance.

8. That we urge the District Executive to immediately bring the Claims

EXTENSION FUND CAMPAIGN

Our Objective 1937-38 \$2,900

REPORT OF SECRETARY, EXTENSION FUND, 1937-38

Dear Brothers and Sisters:

Now the Annual Session has been brought to a close, at which time your Representatives again appointed Bro. Rev. A. A. McLeod, as Field Secretary and Manager of "Forward."

Therefore, let us begin this work at once in order that a start may be made in bringing to a successful conclusion the work you have outlined for your Executive during the coming year.

Brothers and Sisters, the work of this noble Order is being impressed on the minds of the public more forcibly than ever, through the efforts of the Field Secretary, which work is very vital in order to save our young people from destruction for "We Must Go Forward" and this can only be done with the full co-operation and support, financially, of all Divisions. Make a start now and send in your allotment as soon as possible. Set aside a portion of agency collections and see how quickly you will be placed on the "Honor Roll."

Let us, therefore, work toward complete success in arriving at our objective.

Submitted in Love, Purity and Fidelity.

Secretary, Extension Fund.

FINAL REPORT 1936-37

Dear Fellow-Workers:

Before this reaches you, we shall have completed another year's work and started a new campaign. The year's contributions amounted to \$2,018.55, which was short of the Objective hoped for. We must remember, however, that the campaign was not started until after the last annual session, so that much valuable time was lost, which should have increased the years total. Any campaign should be commenced on the floor of the session.

Falmouth Division again won the prize with an average per member of \$1.96 and we congratulate them on their devotion to extending the work of our Order. 28 Divisions reached the Honor Roll for contributing at least 80 cents per member.

As we close the year's work, your committee wish to thank all the divisions and members who have assisted in the Cause, with the sincere hope that the work of our Order may go steadily forward during the coming year.

Fraternally yours,

A. A. MacLEOD, Chairman,

H. E. NICKERSON, Secretary.

The tramp was brought in and the goat fitted. Since the repeal liquor business has become more odoriferous than the goat and the tramp combined. Keep the stench in mind, a goat is a very appropriate sign over a beer saloon.

Bottle Scars

An amusing double barrelled bull was made by a printer who transposed a "bottle-scarred veteran," into a bottle-scarred veteran. When called on by the irate colonel to apologize, the next day he made matters worse by referring to the veteran as a "bottle-scarred veteran."

As a matter of fact the world is full of "bottle-scarred" people-victims of drink. They are seen on the streets, in our homes, in the courts, in jails and penitentiaries. Like the marks of Cain these scars cannot be removed. They are the marks of shame which these persons will carry to their graves. The bottle has produced more scars on character than all the warlike weapons have on men's bodies.

BE SOMETHING

(Continued from page 2)

To meet with cheerful heart what comes to me;
To turn life's discords into harmony;
To share some weary worker's heavy load;
To point some straying comrade to the road;
To know that what I have is not my own;
To feel that I am never quite alone.

RETROSPECTION

Do you ever look back at the close of the day
To the hours you've spent for others,
To precious time in work and play
When you tried to make men brothers?
Do you ever look back at the end of the day
To the goal you might have won?
Put you put it aside till you had more time,
And the job was never done.
If you think of some good to do, my friend,
Begin it now, to-day!
Tomorrow's a long way off, my friend,
And may never come your way.
